**Aboriginal AIDS Awareness Week
Edmonton Hosts Global Lessons - Local Practices: Indigenous and Aboriginal
People and HIV/AIDS**

- WHAT:** To honour final day of Aboriginal AIDS Awareness Week in Canada – Kimamow Atoskanow Foundation hosts presentations and discussions about international Indigenous HIV and AIDS issues and how these relate to provincial, regional, and local realities. Local practitioners will share their insights in relation to the international context, as well as highlight First Nation, Metis, and other community perspectives. Session is open to public. Light refreshments served.
- WHEN:** Monday, December 5, 2011
10:00am – 3:00pm MST
- WHERE:** Edmonton Room, Edmonton Public Library, Downtown – Edmonton, AB
- INFO:** Denise Lambert – info@treeofcreation.ca / 1.866.971.7233 or 780.887.9303
